Within 45 calendar days after a Determination of Taxability, each Bond subject to an Event of Taxability and not previously paid on maturity or redeemed before maturity (whether or not provision for payment thereof has been made pursuant to any other Section of the Indenture) shall be redeemed at a redemption price equal to the amount of unpaid principal thereof plus unpaid interest accrued thereon to the date of redemption, and with respect to each Bond subject to any Event of Taxability (whether or not previously paid on maturity or redeemed before maturity, and whether or not provision for payment thereof has been made pursuant to any other section of the Indenture) a premium shall be paid in an amount determined as follows: (a) an amount equal to all interest accrued thereon during the Period of Taxability (as that term is defined in the Indenture), if no Event of Taxability was caused (in whole or in part) by any act or omission of the Company; or (b) an amount equal to the sum of (y) 100% of one year's interest on the amount of unpaid principal thereof at the beginning of the Period of Taxability (whether or not the amount of unpaid principal thereof is subsequently reduced) for each 12 month period (or portion thereof) which elapses during the Period of Taxability plus (z) 8% of the unpaid principal amount at the beginning of the Period of Taxability, if any Event of Taxability was caused (in whole or in part) (i) by any act or omission of the Company, or (ii) (whether or not by any act or omission of the Company) by any dollar limitation on the small issue exemption contained in Section 103(b)(6) of the Internal Revenue Code of 1954, as amended, having been exceeded. Such premium shall be paid to the Trustee for the account of each holder who held such Bond at any time during the Period of Taxability, in proportion to the length of their respective holding periods during the Period of Taxability. Notwithstanding any other provision contained in the Indenture or in the Loan Agreement, the provisions of this paragraph shall survive any payment or redemption of any Bond or of the Note, and any expiration or discharge or other termination of the Indenture or of the Loan Agreement.

Notice from the Company to the Trustee that the Note is to be prepaid in whole or in part pursuant to the Agreement shall constitute the direction of the Issuer to the Trustee to call some or all, as the case may be, of the then outstanding Bonds, and no separate notice from the Issuer to the Trustee shall be required.

When less than the entire unmatured portion of the Bonds shall be called for redemption at any time or from time to time, the selection of such Bonds to be called shall be made in the inverse order of maturities, and by lot within maturities, by the Trustee in such manner as the Trustee may determine.

Notice of the call for any redemption of Bonds, identifying by designation, letters, numbers, or other distinguishing marks, the Bonds (in amounts of \$5,000 or any multiple thereof) or portions of fully registered Bonds to be redeemed, the redemption price to be paid, the date fixed for redemption and the place or places where the amounts due upon such redemption are payable, shall be given by the Trustee on behalf of the Issuer by at least two publications in a newspaper or financial journal of general circulation published in Indianapolis, Indiana and Fort Wayne, Indiana, the first such publication to be not more than sixty nor less than thirty days prior to the redemption date, and, in the case of the redemption of Bonds at the time in the form of registered Bonds, by mailing a copy of the redemption notice by first class mail not more than sixty nor less than thirty days prior to the date fixed for redemption to the registered owner of each such registered Bond to be redeemed at the address shown on the registration books kept by the Trustee; provided, however, that failure to give such notice by mailing, or any defect in such notice, shall not affect the validity of any proceedings for the redemption of the Bonds. If, because of the temporary or permanent suspension of the publication or general circulation of the appropriate newspapers or financial journals or for any other reason, it is impossible or impractical to such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of notice. If all of the Bonds to be redeemed are at the time in the form of registered Bonds, notice of the call for redemption may be given by mailing a copy of the redemption notice by registered or certified mail at least thirty days prior to the date fixed for redemption to the holder or holders thereof at the address shown on the registration books kept by the Trustee and newspaper or financial journal publication of the notice of the call for redemption need not be given; provided, however, that failure to give such notice to any Bondholder by mailing, or any defects in such notice to any Bondholder, shall not affect the validity of the proceedings for the redemption of any of the other Bonds. The holder or holders of Bonds may waive any notice of redemption in writing, and in such event, no notice of any kind need be given with respect to the Bonds of such holder or holders to be so redeemed.

Bond Service Charges on Bonds in coupon form, other than principal of or any redemption premium on such Bonds registered as to principal (except to bearer), shall be payable, without deduction for services as paying agent, at the corporate trust office of the Trustee.

All Bond Service Charges on registered Bonds shall be payable by check or draft drawn upon the Trustee and mailed or delivered to the Bondholder at its address as shown on the Bond registration books to be kept by the Trustee; provided however that the final Bond Service Charges shall be payable at the corporate trust office of the Trustee upon presentation and surrender of the Bond at such office. All payments of Bond Service Charges shall be made in lawful money of the United States of America, without deduction for services as paying agent. In addition, upon acceleration of the Bond, the amounts payable upon such acceleration, together with interest thereon at the Interest Rate for Advances from the date of acceleration, shall continue as an obligation of the Issuer until paid. All payments from the Issuer referred to herein shall be payable solely from the Pledged Receipts.

All Bonds shall bear such designation as may be necessary to distinguish them from Bonds of any other series. Subject to provisions of the Bond Legislation, Bonds shall be issued as coupon Bonds registrable as to principal only, all as provided in the Indenture. All Bonds shall be negotiable instruments, subject to applicable provisions for registration, and shall express on their faces the purpose for which they are issued and such other statements or legends as may be required by law.

If Bonds are duly called for redemption and if on such redemption date moneys for the redemption of all the Bonds to be redeemed, together with accrued interest to the redemption date, shall be held by the Trustee so as to be available therefor, then from and after such redemption date such Bonds shall cease to bear interest and any coupons for interest thereon maturing subsequent to the redemption date shall be void.

The Bonds shall be executed on behalf of the Issuer by the Executive and by the Fiscal Officer, provided that any or all of such signatures may be facsimiles, and the seal of the Issuer shall be impressed thereon or a facsimile of such seal placed thereon. In case any officer whose signature or a facsimile thereof shall appear on any Bond, shall cease to be such officer before the issuance, authentication or delivery of the Bond, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until after that time.

Section 5. Security for the Bonds. As provided herein, the Bonds shall be payable solely from the Bond Fund and the Pledged Receipts and secured by a pledge of and lien on the Pledged Receipts and the Bond Fund, and shall be further secured by the Mortgage, the Guaranty and Pledge Agreement and the Indenture. Neither the Bond Legislation, the Bonds, the Indenture, the Loan Agreement, nor the Bond Purchase Agreement shall represent or constitute a debt or pledge of the faith and credit or the taxing power of the Issuer, and each Bond shall contain on the face thereof a statement to that effect.

Section 6. <u>Sale of Bonds</u>. The Bonds are hereby sold and awarded to the Underwriter, in accordance with its offer therefor in the Bond Purchase Agreement, at a net purchase price of \$5,882,300, plus accrued interest from the date of the Bonds. The Executive and the Fiscal Officer are authorized and directed to make on behalf of the Issuer the necessary arrangements with the Underwriter to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter, and to take all steps necessary to effect due execution, authentication and delivery to the Underwriter of the Bonds purchased by it under the terms of this Bond Legislation, the Indenture and the Bond Purchase Agreement. It is hereby determined that the price for and the terms of the Bonds, and

the sale thereof, all as provided in this Bond Legislation and the Bond Purchase Agreement, are in the best interest of the Issuer and consistent with all legal requirements.

The Issuer covenants and agrees that, until Payment in Full of the Bonds, it will deposit or cause to be deposited in the Bond Fund Pledged Receipts sufficient in time and amount to pay the Bond Service Charges as the same become due and payable, and to this end the Issuer covenants and agrees that it will diligently and promptly proceed in good faith and use its best efforts to enforce the Agreement and that, should there be an event of default under the Agreement, the Issuer shall fully cooperate with the Trustee and with the Bondholders to fully protect the rights and security of the Bondholders hereunder. Nothing herein shall be construed as requiring the Issuer to use or apply to the payment of Bond Service Charges any funds other than the Bond Fund and the Acquisition Fund or revenues from any source other than Pledged Receipts.

The Issuer covenants and agrees, whenever the moneys and investments in the Bond Fund (or otherwise held by the Trustee for such purpose) are sufficient in amount to redeem the entire principal amount of the Bonds then outstanding and to pay interest to accrue thereon to the date or dates of such redemption, and any applicable premiums, to take and cause to be taken, upon notification by the Company or the Trustee, the necessary steps to redeem the Bonds on the next succeeding redemption date or dates for which the required notice of call for redemption may be given.

 The Issuer will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions contained in the Bond Legislation, the Agreement, Bond Purchase Agreement, the Indenture and the Bonds, and required therein to be observed and performed by the Issuer. The Issuer warrants and covenants that it is, and upon delivery of the Bonds will be, duly authorized by the Constitution and laws of the State, including particularly and without limitation the Act, to issue the Bonds, and to execute and deliver the Official Statement, to execute the Indenture, the Bond Purchase Agreement, the Agreement and the assignment of the Note, and to provide the security for payment of the Bond Service Charges in the manner and to the extent herein and in the Indenture set forth; that all actions on its part for the issuance of the Bonds, the delivery of the Official Statement and the execution and delivery of the Indenture, the Bond Purchase Agreement, the Agreement and the assignment of the Note, have been or will be duly and effectively taken; and that the Bonds will be valid, binding and enforceable special obligations of the Issuer according to the terms thereof. Each provision of the Bond Legislation, Indenture, the Bond Purchase Agreement, the Agreement and the Bonds is binding upon each such officer of the Issuer as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duties required by such provision.
- (c) <u>Pledged Receipts</u>. Except as otherwise provided in the Bond Legislation, Indenture, Bond Purchase Agreement and Agreement, the Issuer will not make any pledge or assignment of or create any lien or encumbrance upon the Acquisition Fund, the Bond Fund or the Pledged Receipts, other than the pledge and assignment thereof under the Bond Legislation, Indenture and Agreement.
- (d) Recordings and Filings. The Issuer will cooperate in causing all necesary financing statements, amendments thereto, continuation statements and instruments of similar character relating to the pledges and assignments made by the Issuer to secure the Bonds, to be recorded or filed in such manner and in such places as and to the extent required by law in order to fully preserve and protect the security of the Holder and the rights of the Trustee under the Indenture; and in pursuance thereof the Company has covenanted to cause to be delivered to the Trustee certain opinions of counsel, all as set forth in Section 5.11 of the Agreement.
- (e) <u>Inspection of Project Books</u>. All books and documents in the Issuer's possession relating to the Project or to the Pledged Receipts shall at all reasonable times be open to inspection by such employees, accountants or other agents of the Trustee as the Trustee may from time to time designate.
- (f) Maintenance of Agreement. The Issuer shall do all things and take all actions on its part necessary to comply with the obligations, duties and responsibilities on the part of the Issuer under the Agreement, and will take all actions within its authority to maintain the Agreement in effect in accordance with the terms thereof and to enforce and protect the rights of the Issuer thereunder, including actions at law and in equity, as may be appropriate.
- (g) <u>List of Bondholders</u>. To the extent that such information shall be made known to the Issuer under the terms of this paragraph, the Issuer will keep or arrange to

have kept on file at the corporate trust office of the Trustee a list of names and addresses of the last known holders of Bonds payable to bearer. Any Bondholder may in a writing addressed to the Issuer or Trustee request that his name and address be placed on said list, which request shall include a statement of the principal amount of Bonds held by such holder and shall identify, by number and series designation, such Bonds. Neither the Issuer nor the Trustee shall be under any responsibility with regard to the accuracy of said list. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Company, or by the holders (or a designated representative thereof) of twenty-five percent or more in principal amount of Bonds then outstanding, such holding and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

- (h) <u>Rights under Agreement</u>. The Trustee, in its name or in the name of the Issuer, may, for and on behalf of the Bondholders, enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Agreement, whether or not the Issuer is in default of the pursuit or enforcement of such rights and obligations.
- (i) Arbitrage Provisions. The Issuer will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are delivered to the Underwriter, so that they will not constitute arbitrage bonds under Section 103(c) of the Code and the applicable regulations prescribed under that section. The Fiscal Officer or any other officer having responsibility with respect to the issuance of the Bonds is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer, employee, consultant or agent of the Issuer, or any officer of the Company, and upon receipt of satisfactory indemnities from the Company, to give an appropriate certificate on behalf of the Issuer, for inclusion in the transcript of proceedings for the Bonds, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to such Section 103(c) and regulations thereunder.

Section 10. Investment of Bond Fund and Acquisition Fund Money. Moneys in the Bond Fund and the Acquisition Fund shall be invested and reinvested by the Trustee in any Eligible Investments, in accordance with and subject to any written orders, or oral orders confirmed promptly in writing, of the Authorized Company Representative with respect thereto, provided that investments of moneys in the Bond Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide moneys hereunder to pay Bond Service Charges as they fall due at stated maturity or by amortization or redemption, and that each investment of moneys in the Acquisition Fund shall in any event mature or be redeemable at the option of the Trustee at such time as may be necessary to make timely payments from such Fund. Subject to any such orders with respect thereto, the Trustee may from time to time sell such investments and reinvest the proceeds therefrom in Eligible Investments maturing or redeemable as aforesaid. Any investments may be purchased from the Trustee. The Trustee shall sell or redeem investments standing to the credit of the Bond Fund to produce sufficient moneys hereunder at the times required for the purposes of paying Bond Service Charges when due as aforesaid. An investment made from moneys credited to the Bond Fund or Acquisition Fund shall constitute part of that respective Fund and such respective Fund shall be credited with all proceeds of sale and income or loss from such investment. The Company has covenanted in the Agreement to restrict the use of the proceeds of the Bonds so that they will not constitute arbitrage bonds under the Code.

Agreement, Indenture and Assignment. In order to issue and deliver the Bonds and to better secure the payment of the Bond Service Charges as the same shall become due and payable, the Executive and the Fiscal Officer are hereby authorized and directed to execute, acknowledge and deliver, on behalf of the Issuer, the Agreement, the Bond Purchase Agreement, the Indenture, the Official Statement and the assignment of the Note, in substantially the forms submitted to this Issuing Authority, which are hereby approved, with such changes therein not inconsistent with this Bond Legislation and not substantially adverse to the Issuer as may be permitted by the Act and approved by the Legal Officer and by the persons executing the same. The approval of such changes by the Legal Officer and such members, and that such are not substantially adverse to the Issuer, shall be conclusively evidenced by the execution of the Agreement, the Bond Purchase Agreement, the Indenture and such assignment by such persons.

The Executive and Fiscal Officer are each hereby separately authorized to take any and all actions and to execute such financing statements, election statement, certificates and other instruments that may be necessary or appropriate in the opinion of the Legal Officer and bond counsel, in order to effect the issuance of the Bonds and the intent of this Bond Legislation. The Fiscal Officer, or other appropriate officer of the Issuer, shall certify a true transcript of all proceedings had with respect to the issuance of the Bonds, along with such information from the records of the Issuer as is necessary to determine the regularity and validity of the issuance of the Bonds.

This Bond Legislation shall constitute a part of the Indenture as therein provided and for all purposes of the Indenture, including, without limitation, application to this Bond Legislation of the provisions in the Indenture relating to amendment, modification and supplementation, and provisions for severability.

Section 12. <u>Effective Date</u>. This Bond Legislation shall take effect and be in force immediately upon its adoption.

The Bonds being delivered to the Underwriter, maturing November I5, I998 and aggregating \$2,350,000 in principal amount, shall bear interest from their respective dates at a fixed rate of nine and one-half percent (9.50%) per annum. Interest on the Bonds shall be payable semi-annually on May I5 and November I5 of each year, beginning November I5, I983. Upon any transfer and surrender of any Bond in accordance with the provisions of the Indenture, the Issuer shall execute and deliver a new Bond in exchange therefor as provided in the Indenture.

The Bonds maturing November I5, 1998, are subject to mandatory sinking fund redemption, by lot, without action by the Issuer, on November I5, 1995, and on each November I5 thereafter to and including November I5, 1998, in the following principal amounts, at

100% of the principal amount thereof, plus accrued interest to the redemption date.

November	15,	1996	550,000
November	15,	1997	625,000
November	15,	1998	675,000

The Bonds are subject to optional redemption, in whole or in part, prior to maturity by the Issuer at the direction of the Company on May I5, I993, or at any time thereafter, in the event of exercise by the Company of its option to prepay the Note in full or in part as provided by the first paragraph of Section 6.1 of the Loan Agreement in the inverse order of their maturities (less than all of the Bonds of a single maturity to be selected by lot in such manner as may be designated by the Trustee), at the times and at the redemption prices (expressed as a percentage of the principal amount of the Bonds being redeemed) plus accrued interest to the redemption date as set forth below:

May	15,	1996	to	May	14,	1997	100%

The Bonds are also subject to optional redemption, in whole or in part, by lot, in the event of the exercise by the Company of its options to prepay the Note in whole or in part as provided by the fourth paragraph of Section 6.1 of the Loan Agreement, at a redemption price of 100% of principal balance of the Bonds to be redeemed on the date of redemption, plus accrued interest to the redemption date. The redemption date in any such event shall be the date set by the Company for prepayment of the Note in accordance with the provisions of such Section 6.1.

The Bonds shall also be redeemed prior to maturity, as a whole, upon occurrence of any of the circumstances which operate to require prepayment of the Note by the Company in accordance with the provisions of Section 6.2 of the Loan Agreement. The redemption date in any of such events shall be the date set by the Company, (or in default thereof, by the Trustee) for the prepayment of the Note in accordance with the provisions of the Loan Agreement. The redemption price in any of such events shall be 100% of the principal balance of the Bonds to be redeemed on the date of redemption, plus accrued interest to the redemption date; provided that upon any call for redemption of the Bonds due to a Determination of Taxability, the redemption price in such event shall be 108% of the principal amount of Bonds being redeemed plus accrued interest to the redemption date.

Notice from the Company to the Trustee that the Note is to be prepaid in whole or in part pursuant to the Agreement shall constitute the direction of the Issuer to the Trustee to call some or all, as the case may be, of the then outstanding Bonds, and no separate notice from the Issuer to the Trustee shall be required.

When less than the entire unmatured portion of the Bonds shall be called for redemption at any time or from time to time, the selection of such Bonds to be called shall be made in the inverse order of maturities, and by lot within maturities, by the Trustee in such manner as the Trustee may determine.

Notice of the call for any redemption of Bonds, identifying by designation, letters, numbers, or other distinguishing marks, the Bonds (in amounts of \$5,000 or any multiple thereof) or portions of fully registered Bonds to be redeemed, the redemption price to be paid, the date fixed for redemption and the place or places where the amounts due upon such redemption are payable, shall be given by the Trustee on behalf of the Issuer by at least two publications in a newspaper or financial journal of general circulation published in Indianapolis, Indiana

and Fort Wayne, Indiana, the first such publication to be not more than sixty nor less than thirty days prior to the redemption date, and, in the case of the redemption of Bonds at the time in the form of registered Bonds, by mailing a copy of the redemption notice by first class mail not more than sixty nor less than thirty days prior to the date fixed for redemption to the registered owner of each such registered Bond to be redeemed at the address shown on the registration books kept by the Trustee; provided, however, that failure to give such notice by mailing, or any defect in such notice, shall not affect the validity of any proceedings for the redemption of the Bonds. If, because of the temporary or permanent suspension of the publication or general circulation of the appropriate newspapers or financial journals or for any other reason, it is impossible or impractical to publish such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of If all of the Bonds to be redeemed are at the time in the form of registered Bonds, notice of the call for redemption may be given by mailing a copy of the redemption notice by registered or certified mail at least thirty days prior to the date fixed for redemption to the holder or holders thereof at the address shown on the registration books kept by the Trustee and newspaper or financial journal publication of the notice of the call for redemption need not be given; provided, however, that failure to give such notice to any Bondholder by mailing, or any defects in such notice to any Bondholder, shall not affect the validity of the proceedings for the redemption of any of the other Bonds. The holder or holders of Bonds may waive any notice of redemption in writing, and in such event, no notice of any kind need be given with respect to the Bonds of such holder or holders to be so redeemed.

Bond Service Charges on Bonds in coupon form, other than principal of or any redemption premium on such Bonds registered as to principal (except to bearer), shall be payable, without deduction for services as paying agent, at the corporate trust office of the Trustee.

All Bond Service Charges on registered Bonds shall be payable by check or draft drawn upon the Trustee and mailed or delivered to the Bondholder at its address as shown on the Bond registration books to be kept by the Trustee; provided however that the final Bond Service Charges shall be payable at the corporate trust office of the Trustee upon presentation and surrender of the Bond at such office. All payments of Bond Service Charges shall be made in lawful money of the United States of America, without deduction for services as paying agent. In addition, upon acceleration of the Bond, the amounts payable upon such acceleration, together with interest thereon at the Interest Rate for Advances from the date of acceleration, shall continue as an obligation of the Issuer until paid. All payments from the Issuer referred to herein shall be payable solely from the Pledged Receipts.

All Bonds shall bear such designation as may be necessary to distinguish them from Bonds of any other series. Subject to provisions of the Bond Legislation, Bonds shall be issued as coupon Bonds registrable as to principal only, all as provided in the Indenture. All Bonds shall be negotiable instruments, subject to applicable provisions for registration, and shall express on their faces the purpose for which they are issued and such other statements or legends as may be required by law.

If Bonds are duly called for redemption and if on such redemption date moneys for the redemption of all the Bonds to be redeemed, together with accrued interest to the redemption date, shall be held by the Trustee so as to be available therefor, then from and after such redemption date such Bonds shall cease to bear interest and any coupons for interest thereon maturing subsequent to the redemption date shall be void.

The Bonds shall be executed on behalf of the Issuer by the Executive and by the Fiscal Officer, provided that any or all of such

signatures may be facsimiles, and the seal of the Issuer shall be impressed thereon or a facsimile of such seal placed thereon. In case any officer whose signature or a facsimile thereof shall appear on any Bond, shall cease to be such officer before the issuance, authentication or delivery of the Bond, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until after that time.

Section 5. Security for the Bonds. As provided herein, the Bonds shall be payable solely from the Bond Fund and the Pledged Receipts and secured by a pledge of and lien on the Pledged Receipts and the Bond Fund, and shall be further secured by the Mortgage, the Guaranty and Pledge Agreement and the Indenture. Neither the Bond Legislation, the Bonds, the Indenture, the Loan Agreement, nor the Bond Purchase Agreement shall represent or constitute a debt or pledge of the faith and credit or the taxing power of the Issuer, and each Bond shall contain on the face thereof a statement to that effect.

Section 6. Sale of Bonds. The Bonds are hereby sold and awarded to the Underwriter, in accordance with its offer therefor in the Bond Purchase Agreement, at a net purchase price of \$5,882,300, plus accrued interest from the date of the Bonds. The Executive and the Fiscal Officer are authorized and directed to make on behalf of the Issuer the necessary arrangements with the Underwriter to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter, and to take all steps necessary to effect due execution, authentication and delivery to the Underwriter of the Bonds purchased by it under the terms of this Bond Legislation, the Indenture and the Bond Purchase Agreement. It is hereby determined that the price for and the terms of the Bonds, and the sale thereof, all as provided in this Bond Legislation and the Bond Purchase Agreement, are in the best interest of the Issuer and consistent with all legal requirements.

Section 7. Allocation of Proceeds of Bond - Acquisition Fund. There is hereby created by the Issuer and ordered maintained, as a separate deposit account (except when invested as hereinafter provided) in the custody of the Trustee, a trust fund in the name of the Issuer to be designated "City of Fort Wayne - AWB Realty Corp. Acquisition Fund". All of the sums from the sale of the Bonds, except accrued interest on the Bonds, shall be deposited in the Acquisition Fund and disbursed by the Trustee in accordance with the Loan Agreement. The Trustee is authorized and directed to issue its check for each such disbursement. The moneys to the credit of the Acquisition Fund (including the proceeds from the sale of investments thereof) shall, pending applications thereof as above set forth, be subject to a lien and charge in favor of the Holder.

Section 8. <u>Source of Payment - Bond Fund</u>. As provided in the Agreement, Note Payments, sufficient in time and amount to pay the Bond Service Charges as they come due, are to be paid by the Company directly to the Trustee for the account of the Issuer and deposited in the Bond Fund.

There is hereby created by the Issuer and ordered maintained, as a separate deposit account (except when invested as hereinafter provided) in the custody of the Trustee, a trust fund to be designated "City of Fort Wayne - AWB Realty Corp. Bond Fund". Subject to the provisions of the Mortgage, the Bond Fund and the moneys therein are hereby pledged to and shall be used solely and exclusively for the payment of Bond Service Charges as they fall due at stated maturity or by amortization or redemption, all as provided herein and in the Indenture and the Agreement.

Except as otherwise provided in this Bond Legislation or in the Mortgage, there shall be deposited into the Bond Fund, as and when received, all Pledged Receipts. The Issuer covenants and agrees that, until Payment in Full of the Bonds, it will deposit or cause to be deposited in the Bond Fund Pledged Receipts sufficient in time and

amount to pay the Bond Service Charges as the same become due and payable, and to this end the Issuer covenants and agrees that it will diligently and promptly proceed in good faith and use its best efforts to enforce the Agreement and that, should there be an event of default under the Agreement, the Issuer shall fully cooperate with the Trustee and with the Bondholders to fully protect the rights and security of the Bondholders hereunder. Nothing herein shall be construed as requiring the Issuer to use or apply to the payment of Bond Service Charges any funds other than the Bond Fund and the Acquisition Fund or revenues from any source other than Pledged Receipts.

The Issuer covenants and agrees, whenever the moneys and investments in the Bond Fund (or otherwise held by the Trustee for such purpose) are sufficient in amount to redeem the entire principal amount of the Bonds then outstanding and to pay interest to accrue thereon to the date or dates of such redemption, and any applicable premiums, to take and cause to be taken, upon notification by the Company or the Trustee, the necessary steps to redeem the Bonds on the next succeeding redemption date or dates for which the required notice of call for redemption may be given.

- Section 9. <u>Covenants of Issuer</u>. In addition to other covenants of the Issuer in the Bond Legislation and the Indenture, the Issuer further covenants and agrees as follows:
 - (a) Payment of Bond Service Charges. The Issuer will, solely from the sources herein provided, pay or cause to be paid the Bond Service Charges on the Bonds on the dates, at the places and in the manner provided herein and in the Bonds.
 - (b) Performance of Covenants, Authority and
 The Issuer will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions contained in the Bond Legislation, the Agreement, Bond Purchase Agreement, the Indenture and the Bonds, and required therein to be observed and performed by the Issuer. The Issuer warrants and covenants that it is, and upon delivery of the Bonds will be, duly authorized by the Constitution and laws of the State, including particularly and without limitation the Act, to issue the Bonds, and to execute and deliver the Official Statement, to execute the Indenture, the Bond Purchase Agreement, the Agreement and the assignment of the Note, and to provide the security for payment of the Bond Service Charges in the manner and to the extent herein and in the Indenture set forth; that all actions on its part for the issuance of the Bonds, the delivery of the Official Statement and the execution and delivery of the Indenture, the Bond Purchase Agreement, the Agreement and the assignment of the Note, have been or will be duly and effectively taken; and that the Bonds will be valid, binding and enforceable special obligations of the Issuer according to the terms thereof. Each provision of the Bond Legislation, Indenture, the Bond Purchase Agreement, the Agreement and the Bonds is binding upon each such officer of the Issuer as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duties required by such provision.
 - (c) <u>Pledged Receipts</u>. Except as otherwise provided in the Bond Legislation, Indenture, Bond Purchase Agreement and Agreement, the Issuer will not make any pledge or assignment of or create any lien or encumbrance upon the Acquisition Fund, the Bond Fund or the Pledged Receipts, other than the pledge and assignment thereof under the Bond Legislation, Indenture and Agreement.

- (d) Recordings and Filings. The Issuer will cooperate in causing all necesary financing statements, amendments thereto, continuation statements and instruments of similar character relating to the pledges and assignments made by the Issuer to secure the Bonds, to be recorded or filed in such manner and in such places as and to the extent required by law in order to fully preserve and protect the security of the Holder and the rights of the Trustee under the Indenture; and in pursuance thereof the Company has covenanted to cause to be delivered to the Trustee certain opinions of counsel, all as set forth in Section 5.11 of the Agreement.
- (e) <u>Inspection of Project Books</u>. All books and documents in the Issuer's possession relating to the Project or to the Pledged Receipts shall at all reasonable times be open to inspection by such employees, accountants or other agents of the Trustee as the Trustee may from time to time designate.
- (f) Maintenance of Agreement. The Issuer shall do all things and take all actions on its part necessary to comply with the obligations, duties and responsibilities on the part of the Issuer under the Agreement, and will take all actions within its authority to maintain the Agreement in effect in accordance with the terms thereof and to enforce and protect the rights of the Issuer thereunder, including actions at law and in equity, as may be appropriate.
- (g) <u>List of Bondholders</u>. To the extent that such information shall be made known to the Issuer under the terms of this paragraph, the Issuer will keep or arrange to have kept on file at the corporate trust office of the Trustee a list of names and addresses of the last known holders of Bonds payable to bearer. Any Bondholder may in a writing addressed to the Issuer or Trustee request that his name and address be placed on said list, which request shall include a statement of the principal amount of Bonds held by such holder and shall identify, by number and series designation, such Bonds. Neither the Issuer nor the Trustee shall be under any responsibility with regard to the accuracy of said list. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Company, or by the holders (or a designated representative thereof) of twenty-five percent or more in principal amount of Bonds then outstanding, such holding and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.
- (h) <u>Rights under Agreement</u>. The Trustee, in its name or in the name of the Issuer, may, for and on behalf of the Bondholders, enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Agreement, whether or not the Issuer is in default of the pursuit or enforcement of such rights and obligations.
- (i) Arbitrage Provisions. The Issuer will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are delivered to the Underwriter, so that they will not constitute arbitrage bonds under Section 103(c) of the Code and the applicable regulations prescribed under that section. The Fiscal Officer or any other officer having responsibility with respect to the issuance of the Bonds is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer, employee, consultant or agent of the Issuer, or any officer of the Company, and upon receipt of satisfactory indemnities from the Company, to give an

appropriate certificate on behalf of the Issuer, for inclusion in the transcript of proceedings for the Bonds, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to such Section 103(c) and regulations thereunder.

Section 10. Investment of Bond Fund and Acquisition Fund Money. Moneys in the Bond Fund and the Acquisition Fund shall be invested and reinvested by the Trustee in any Eligible Investments, in accordance with and subject to any written orders, or oral orders confirmed promptly in writing, of the Authorized Company Representative with respect thereto, provided that investments of moneys in the Bond Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide moneys hereunder to pay Bond Service Charges as they fall due at stated maturity or by amortization or redemption, and that each investment of moneys in the Acquisition Fund shall in any event mature or be redeemable at the option of the Trustee at such time as may be necessary to make timely payments from such Fund. Subject to any such orders with respect thereto, the Trustee may from time to time sell such investments and reinvest the proceeds therefrom in Eligible Investments maturing or redeemable as aforesaid. Any such investments may be purchased from the Trustee. The Trustee shall sell or redeem investments standing to the credit of the Bond Fund to produce sufficient moneys hereunder at the times required for the purposes of paying Bond Service Charges when due as aforesaid. An investment made from moneys credited to the Bond Fund or Acquisition Fund shall constitute part of that respective Fund and such respective Fund shall be credited with all proceeds of sale and income or loss from such investment. The Company has covenanted in the Agreement to restrict the use of the proceeds of the Bonds so that they will not constitute arbitrage bonds under the Code.

Agreement, Indenture and Assignment. In order to issue and deliver the Bonds and to better secure the payment of the Bond Service Charges as the same shall become due and payable, the Executive and the Fiscal Officer are hereby authorized and directed to execute, acknowledge and deliver, on behalf of the Issuer, the Agreement, the Bond Purchase Agreement, the Indenture, the Official Statement and the assignment of the Note, in substantially the forms submitted to this Issuing Authority, which are hereby approved, with such changes therein not inconsistent with this Bond Legislation and not substantially adverse to the Issuer as may be permitted by the Act and approved by the Legal Officer and by the persons executing the same. The approval of such changes by the Legal Officer and such members, and that such are not substantially adverse to the Issuer, shall be conclusively evidenced by the execution of the Agreement, the Bond Purchase Agreement, the Indenture and such assignment by such persons.

The Executive and Fiscal Officer are each hereby separately authorized to take any and all actions and to execute such financing statements, election statement, certificates and other instruments that may be necessary or appropriate in the opinion of the Legal Officer and bond counsel, in order to effect the issuance of the Bonds and the intent of this Bond Legislation. The Fiscal Officer, or other appropriate officer of the Issuer, shall certify a true transcript of all proceedings had with respect to the issuance of the Bonds, along with such information from the records of the Issuer as is necessary to determine the regularity and validity of the issuance of the Bonds.

This Bond Legislation shall constitute a part of the Indenture as therein provided and for all purposes of the Indenture, including, without limitation, application to this Bond Legislation of the provisions in the Indenture relating to amendment, modification and supplementation, and provisions for severability.

Section 12. Effective Date. This Bond Legislation shall take effect and be in force immediately upon its adoption.
